SHRI VINAY KATIYAR:

Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that the Indian army is falling short of thousands of personnel;

(b) if so, whether it is due to decline in opportunities and prospects;

(c) whether Government are concerned about the situation; and

(d) if so, what steps are being taken to improve the situation?

THE MINISTER OF DEFENCE (SHRI A.K. ANTONY): (a) to (d) While there is no shortage of personnel below officer's rank in the Army except minor shortages in medical assistants and some other technical cadres, there are shortages in the ranks of Lt. Col. and below in the officer's cadre.

The main reason for shortage in the Army is non-availbility of sufficient number of suitable candidates meeting Army's laid down criteria for selection. To improve the situation, constant efforts are made to make Army an attractive career. Officers including officers in Short Service Commission (SSC) are now eligible to hold Captain, Major and Lieutenant Colonel rank after 2,6 and 13 years of reackonable service respectively. Government has also issued orders extending the tenure of SSC officers from 10 years to 14 years. Sustained image projection campaign through print and electronic media is also launched.
